RATIONALE
Oyster Bay Public School is an inclusive environment. The school openly celebrates diversity and individual student differences are respected and valued. Oyster Bay Public School actively seeks to ensure all students receive an education which caters to their individual student learning needs in a highly supportive and safe environment.

A cornerstone of the school’s Anti Bullying Policy is its inclusiveness. The views, values and beliefs of teachers, parents, caregivers and students are reflected in this policy and therefore central to its success.
