Student Welfare Policy

Core Values

Respect
Acceptance
Compassion
Happiness
A Fair Go
Loyalty

Definition

Student Welfare encompasses everything that the school community does to meet the personal and social needs of pupils and enhance their well-being.

Effective student welfare in schools focuses on the value of prevention and early intervention when difficulties are identified. It also strengthens support services for students where appropriate, and ensures that the school assists in linking families with community resources. Positive role models are a priority in the implementation of the policy.

Oyster Bay’s Mission Statement and Core Values and Beliefs underpin the Student Welfare Policy.

Rationale

Society accepts that parents and families have the prime responsibility for the welfare of their children. The responsibility is shared by the general community. Schools, supported by the Department and other community agencies, as part of the general community, have a role in student welfare.

Outcomes

Students of the school:

- derive enjoyment and satisfaction from learning
- have the ability to communicate effectively
- have a set of values to guide behaviour
- have a personal and social responsibility for their actions and decisions
- have personal dignity, worth and self-value
- can form satisfying and stable relationships
- have a caring attitude towards others
- feel they belong to the wider community

**Overview**

**General Personal Development**

The school contributes to the general personal development of students by providing opportunities for students to:

- gain satisfaction associated with learning, with challenges and through achievement
- develop their interests and abilities
- develop a realistic and comprehensive self-concept
- enhance their self-esteem
- develop their skills in decision making
- develop skills in communication and inter-personal relationships, with the ability to form satisfying and stable relationships
- understand their own and others’ feelings
- develop a coherent set of personal values to guide their behaviour
- develop a sense of personal and social responsibility for their actions and decisions
- develop self-reliance
- be caring and supportive of others, and contribute positively to the life of the school.

The school will provide appropriate teacher and peer behaviour modelling in all situations as listed below:

- classrooms; scripture; library
- K-1 and Years 2-6 playgrounds
- excursions
- sport
- wearing of uniforms
- camps
- transition programs - Kindergarten orientation, Year 3 and Year 7 orientation
- social skills programs.

The school will develop a positive climate through:

- an attractive physical environment
- time management
- stress management
- grade meetings / stage meetings
- consideration of teacher welfare
- training and development and organization
- knowledge of individual children
- regular reporting to parents
- working with parents
Preventative Programs

Teachers and support personnel will:

- establish a firm code of student behaviour
- caution or constrain students for the sake of their own safety and that of others
- take appropriate disciplinary action when necessary
- listen with empathy to the cares and concerns of their students
- respond to questions and provide information and guidance as necessary

The school will adhere to a set of clearly stated principles developed in consultation with parents and the local community. These are:

- the Code of Conduct
- the principles of the Student Welfare Committee
- rules/consequences
- reinforcement of rights and responsibilities
- positive reinforcement

The school will ensure the safety of all in the school environment by formulating guidelines/rules on:

- playground supervision and safe use of playground equipment
- canteen supervision
- bus supervision
- first aid and medical supplies in the school
- movement around the school
- emergency procedures
- bike education
- Drug Education Program
- Personal Development Program
- fixtures and furniture
- emotional safety.

Remediation Programs

Remedial needs will be addressed in the regular classroom situation as far as possible where teachers will:

- assist students towards full participation in the school’s educational programs
- cater for specific learning difficulties
- address behavioural problems
- refer students with needs for counselling or attention from other specialist personnel through the appropriate channels (eg STLD, School Counsellor)
- identify student needs early in the year
- develop individual educational programs

The school will direct measures to particular students with problems in controlling their behaviour through:
- early identification of need
- teacher formulated behaviour modification program
- use of specialists - counsellor, STLD, and their formulation of programs
- consultation with parents
- implementation of discipline policy

**Evaluation**

Assessment of Student Welfare Policy will be ongoing regarding:

- outcomes related to the objectives and
- evaluation of the learning programs and procedures for the three areas; General Personal Development, Preventative Programs and Remediation Programs.

Evaluation will take the form of observations, discussions, questionnaires, checklists, anecdotal records and records of students’ work. The Student Welfare Committee will review the effectiveness of the policy annually and make any necessary adjustments to meet changing needs.
Oyster Bay Public School
Fair Discipline Code

Rationale

- The Code of Behaviour, a clear, concise list of agreed behaviour standards, is an essential part of the Fair Discipline Code of the School.
- Good behaviour is prompted through rules and guidelines expressed positively and through clearly expressed and attainable expectations.
- For the Fair Discipline Code to be effective there must be genuine commitment from principal, executive and staff and a thorough understanding of the structure by parents.

Organisational Principles

- Students must have a thorough understanding of both positive and negative consequences of their behaviour for the Fair Discipline Code to have an impact.
- Every opportunity is sought for the students to be awarded positive encouragement – “caught in the act of being good”.
- For maximum effect, students should receive positive feedback in the form of an award eg points, tokens or certificates, as soon as possible.
- The method for giving awards in classrooms is determined by class teachers, librarian etc. Outside classrooms, a consistent procedure for all classes will be used as deemed appropriate at that time by staff eg commendation book, citizenship awards.
- Special consideration should be given to students with special needs.
- Both classroom and whole school behaviour is governed by the Restorative Justice System. Restorative Sessions are monitored by the Assistant Principal after referrals from teachers.
- Teachers are responsible for their students’ understanding of appropriate behaviour including class rules and the school Fair Discipline Code.

Benefits of a Whole School Plan

- Provides a framework for decision-making for teachers and assists them to respond objectively to poor behaviour.
- Develops responsibility among students for their own actions.
- Encourages more acceptable behaviour.
- Is consistent, predictable and known to all students, staff and parents.
PLAYGROUND GUIDELINES

General
Games involving dangerous running are not permitted on the asphalt areas, unless given special permission, or in PE lessons.
The letters COLA refer to a Covered Outdoor Learning Area

Before School
- Children should be encouraged to arrive at school no earlier than 9:00am (8:30am Fridays).
- Children are not to arrive before 9am Mon – Thurs) and 8:30am (Fri) as there is no supervision. Children on the K-2 site stay under the COLA, or in wet weather proceed to their classroom. Children on the 3-6 site are to be seated in a designated area.

After 9:00am (8:30am Fridays)
- Children should only be near classrooms to leave bags.
- Year 3-6; only bike riders may enter the bike area and must leave the area immediately after the bike is secured.
- Duty teacher to supervise playground from 9:00am (8:30am Fridays)

Canteen
- K-2 site; the canteen is open for sales at recess and lunch orders only for Monday to Friday.
- 3-6 site; sales at the canteen will be at recess and lunch.

Procedure for Wet Weather
K-2 Site:
- At recess, children are to remain in their classrooms.
- At lunch, children are to remain indoors to eat from 1:00 - 1:20pm. Then all students go to the assembly room. The 1st half duty teacher supervises from 1:20 - 1:40 and the 2nd half duty teacher supervises from 1:40 - 2:00pm.
- If rain begins whilst children are outside, the duty teacher sends the children to the assembly room.

3-6 Site:
- At recess, children are to go under COLAs.
- At lunch children will eat under the COLAs.
- At 1:25pm a bell will sound for 2nd half lunch.
- In the event of extreme weather two bells will ring which signals all students and teachers to return immediately to their classroom.

The following is an outline of the Levels of Behaviour which should be understood by students, staff and parents of the school.

**Satisfactory Level**
All students begin on Satisfactory Level. Children who are on Satisfactory Level should adhere to school rules and demonstrate student responsibilities as outlined in the 'Fair Discipline Code'.

**K-1 Merit System**
**Colour tokens**
Individual teachers, librarians, administrative staff and scripture teachers present colour tokens for commendable deeds both in the classroom and/or playground. Each token is worth 10 points towards their colour group.

**Colour fun day**
At the end of each term the students can come to school dressed in the colours of their group. Each child in the winning Colour Group for that term will receive a treat.

**Merit Certificates**
Each week, two students from every class receive a Merit Certificate for commendable work in class. These students become the "Stars of the Week" and are given special responsibilities to undertake for the week.

**Additional Rewards**
- Citizenship Awards
- Hat Awards

**2-6 Merit System**
House points are awarded for participation in sporting events at carnivals, for good behaviour and for the purpose of promoting various events. The students also earn house points for awards they receive. Awards include:
- Principal's awards
- Citizenship awards
- Assembly behaviour awards
- Citations (awarded for behaviour or academic achievement)
- Book of the week
- Band and Choir award
- Uniform award
- Commendation Book
- Class awards
**Behaviour**

**Commendation Book**
Student's names are entered for being good citizens and for demonstrating excellent school community values. Their name is entered into the Commendation Book. They receive public recognition in the school newsletter and may be awarded a weekly Citizenship award.

**Rainbow Book (K-6)**
Minor inappropriate behaviours are recorded. Five times in the Rainbow book results in a letter being sent to the parent/caregiver outlining these behaviours.

**Restorative Justice Sessions (K-6)**
Any report of major inappropriate behaviour is to be recorded in the Restorative Sessions Book. This book is checked daily by the Assistant Principal.

**Restorative Sessions K-6**
- Supervised by rostered duty teacher at second half.
- Uncooperative behaviour during these sessions will necessitate further Restorative Discussion.
- Individual sanctions can be determined at the discretion of the Principal.
- Parents will be advised in writing if their child has been involved in a Restorative Session. Students will take the Restorative slip home. Parents are required to sign and return that advice to the Assistant Principal within two days. If that note is not returned within two days another note will be sent home via mail.
- If a student receives 3 letters, in any one term, from either the Restorative Folder or the Warning end of the Rainbow Book, then there will be an interview with the parents/caregivers.
- In this interview the student’s inappropriate behaviours will be discussed.
- Parents/caregivers will be informed that their child’s behaviour has been inappropriate and unacceptable and that, until further notice, their child will not be eligible to participate in activities beyond the classroom.
- Documentation of the child’s daily behaviour from that point forward would be mandatory and available for the Principal to peruse.
- During this exclusion time the student would be involved in Restorative Sessions, where the mentor (ideally at least one home base teacher would be involved) will employ Restorative Practices with the aim of correcting their behaviours.
- The child’s participation in activities such as buddies, sport, excursions, etc will resume when they have demonstrated a responsible level of behaviour. Their inclusion in such activities will be at the discretion of the Principal.

**Amended January 28 2011**
