NON-LOCAL PRIMARY SCHOOL PLACEMENT

INFORMATION FOR PARENTS

Parents may apply for the non-local enrolment of their child in up to two (2) schools of their choice in addition to their designated local school. A separate application form is required for each school.

Priority for enrolment will be given to students entering Kindergarten. Places may also be available in Years 1-6.

Reasons for choosing non-local placements may include:

- Change of residence
- Move from a non-government school
- Siblings already enrolled at the school
- Medical reasons
- Safety and supervision of the student before and after school
- Student Welfare needs
- Particular educational programs or philosophies
- Structure and organisation of the school
- Size of the school
- Particular disciplinary procedures
- Attitude to school uniforms
- Travel arrangements and / or distance

The number of students a school may enrol is limited by the availability of classroom space. This means that some schools may not have room left for non-local enrolments after accommodating local children. To avoid disappointment, parents should check that there are places available in a school before applying.

Once a student enrolls in a non-local school, transfer to another non-local school after accommodating local children will only be possible in exceptional circumstances. Transfer to the student’s local school will be allowed if space is available.

Forward this form to the principal of the non-local school at which you are seeking placement.
