## Principal's Message

## Diary Dates

Dear Parents/Carers

Congratulations to the Year 2 students on their very settled start to the term on the Short Street site. They are handling the change smoothly, fitting in well with new routines.

Kindergarten Orientation is almost upon us - Tuesday November 3rd. If you are a current Kindergarten parent/carer and would be willing to help out as a helper on that morning please contact the Phillip Street Office to leave your name.

Students in Year 5 have all been given information regarding the application process for Selective High School. If you are interested in having your child sit the test for placement in 2011 please return the Request for an Application Package to the Short Street Office urgently. Packages are now available.

Best of luck this week to Samantha Davidson, Livvy Wills and Tiana Williams as they represent our school at the State Athletics Titles. We are all very proud of your accomplishments.

A reminder that dogs are not allowed on school grounds, either leashed or unleashed. Parents/carers will be asked to remove their dogs immediately by staff.

Students are to use only pedestrian gates rather than the larger vehicle gates when arriving and leaving school grounds. The only exception is the OOSH centre after the pedestrian gates have been locked whereby the vehicle gate near the toilets may be used but only if accompanied by an adult.

The school is conducting surveys currently. If you receive a survey please return the completed survey as quickly as possible to the Office.

I seek your ideas for submission to the Budget Committee. A proforma is attached. If you wish to complete please return to the office "attention: The Principal - Budget Submission". The close off date is November 9.

Have a good week!

Mark Meacham  
Principal

## Art & Craft Festival

2010 is a big year the Art and Craft Festival – it's our 40<sup>th</sup> – and the Committee is looking forward to celebrating with the ex-students, ex-committee and of course our school and surrounding community. If know of any ex-students (no matter how old they are) please tell them our 40<sup>th</sup> is fast approaching.

We would like all families to keep the last full weekend in May (Friday 28, Saturday 29 and Sunday 30) free so you can be part of our 40<sup>th</sup> celebrations. Start thinking of ways you could help make our 40<sup>th</sup> a huge success. Do you have contacts in:-

- The food industry (drinks, showbag items)
- Small toys etc for show bags
- Restaurants
- Hiring of equipment
- Artwork/printing
- Advertising/media

Remember all donations will be accepted and sponsorship will be greatly recognised and appreciated. We would also like to invite any new families that would like to join our committee. We have a few key positions on our committee that will be becoming vacant in 2011. We always like to ease new committee members in by having them understudy an exist-

ing committee member, therefore the job is easy to take on. If you are interested in:

- Art
  - Treasurer
  - Playground coordination
- we would love to hear from you.

We also have another challenge.....our 40<sup>th</sup> will be held on the infant's site - therefore on the Wednesday night and Friday setup we will need many hands to help as all equipment (tables/chairs art screens etc) have to be moved from the primary to the infants and then moved back to the primary on the Sunday night! You might think we are asking too early for help but we need all parents to keep these days free so the moving of equipment runs smoothly.

We usually meet on the 3<sup>rd</sup> Wednesday of each month at 7.30pm in the school Library on the primary site.

We look forward to seeing you there.

Please contact Jeanette Ashhurst (0405 335 329) or Lyndall Baum (0407 952 861) - 2010 Convenors.

# Budget submission

## OYSTER BAY PUBLIC SCHOOL

### Budget Submission 2010 School Year

At this time of year the Finance Committee begins to prepare the budget for the coming year and we would appreciate your input in this process.

We ask parents who have suggestions regarding the school's expenditure to submit these for consideration. Each will be considered by the Finance Committee, taking into account our expected income. Our task is made much easier if you are able to approximate the cost of your suggestions.

We would appreciate any suggestions being returned to the Office prior to **Monday 9 November 2009**.

*Thank you for your suggestions and comments.*
