

Attention: Kindergarten 2009

Our Orientation Morning is on Monday 3 November 2008 in the School Hall at 9:25am. During the morning you will enjoy an item presented by this year's Kindergarten students; meet the Principal, Executive staff and some of our hard working parents that help run committees.

At Orientation, you can also register your child for our "Starting School" transition program. This will be held on the K-2 Campus on Monday 1st and Tuesday 2nd December. Your child will be participating in exciting lessons with current Kindergarten teachers. During this time, the Assistant Principal will be conducting parent workshops on support services that are available at Oyster Bay Public School, as well as useful tips on how to help your child in the areas of English and Mathematics.
